Re: Buildings #604 and #605

Dear Mr. Watson:

Your project is approved. Please submit clarification within 30 days on the following items:

- a. Future entry gate will be painted black.
- b. Number of pole mounted "site" fixtures (photometric plan indicates 5 fixtures and site plan indicates 2 fixtures).

All other concerns have been successfully addressed.

Sincerely,

Ehren T. Bingaman  
Executive Director
